PREAMBLE

I, :hauiti: of **TE WHARE TAPU O IOMATAKORE**, a living man, created by the sacred Breath of **IOMATAKORE** — *the Eternal Source and Creator* — do solemnly declare and affirm my *absolute, inalienable sovereignty: TOI ARIKI*.

SECTION 1: TOI ARIKI DECLARATION

This Declaration proclaims the *bespoke TOI ARIKI* — *the absolute, inalienable sovereignty endowed by the Creator, IOMATAKORE* — and affirms the lawful and spiritual standing of the living sovereign, :hauiti: — *sui juris*. It establishes the **POU ARIKI** — *the Foundational Spiritual Pillar* — from which all subsequent trusts, instruments, declarations, and lawful notices arise, each flowing in alignment with this original act of divine affirmation and sovereign authority.

TOI ARIKI is not conferred by any earthly authority, and therefore cannot be revoked by any power of this world — *without exception*. It is derived from the original act of Creation, endowed directly by the Creator, **IOMATAKORE**, and affirmed through the sacred Ariki Whakapapa blood-lines of my Koro, **Mananui te Heuheu** — *Ariki of Tuwharetoa* — who *rejected* Te Tiriti o Waitangi in 1840, thereby preserving the unbroken sovereignty of his sacred line. That **TOI ARIKI**, is carried through his bloodline to me; **I AM SOVEREIGN**. This authority is also supported in scripture:

- Genesis 1:26–27 — "And God said, Let us make man in our image" . . . "So God created man in his own image, in the image of God created he him;" (KJV)
Affirming divine origin, sovereignty, and likeness to the Creator, IO.
- Genesis 2:7 — "And the LORD God formed man of the dust of the ground, and breathed into his nostrils the breath of life; and man became a living soul." (KJV)
Affirming the Creator's direct breath as the source of life — the foundation of living sovereignty.
- 1 Corinthians 6:19 — "know ye not that your body is the temple of the Holy Ghost which is in you, which ye have of God, . . ." (KJV)
Affirming that the divine presence resides within the living sovereign, making the body a sacred vessel of divine authority.

I AM a living vessel of that Breath, that Light, and that Mauri. **I AM** not a corporate fiction, not a legal entity, and not the property, subject, or construct of any state or corporation.

SECTION 2: SOVEREIGN STANDING

By this Declaration, I hereby:

- **Revoke and nullify** all presumptions of consent, contract, subjection, citizenship, or obligation to any foreign power, corporate entity, or ecclesiastical institution — in any form or derivation;
- **Withdraw permanently and absolutely** from all presumed jurisdictions, including but not limited to those, operating under Crown authority, maritime law, Roman civil law, corporate statutes, and ecclesiastical codes — including derivative systems such as New Zealand Crown Law, Vatican Canon Law, and Uniform Commercial Code — except where expressly invoked by reservation of rights for the sole purpose of protecting the sovereign estate;

I do hereby declare myself under the sole jurisdiction of:

- **The Creator, IOMATAKORE** — the Source of all Life, Law, Light and Breath;
- **Tikanga Tupuna** — the ancestral laws and sacred protocols, perfected by and through the Creator, handed down through the Breath-lines, and the Mauri, of my Ancestors;
- **Natural Law** — the unchanging order inscribed in Creation, beyond the reach or authority of man to alter;
- **Customary Lore** — the sacred worldview and relational ways of being, faithfully developed and observed since time immemorial — expressing the divine order handed down through *whakapapa*, *mauri*, and *tikanga*

SECTION 3: WHANAU (Family), WHAKAPAPA (Ancestors), AND WHENUA (Land)

My sovereignty is affirmed through my ancestral and living connection to the whenua of Te Ika a Maui, Aotearoa. I am not lost, adrift, nor stateless; no presumption of abandonment shall stand. **My Whanau**, **My Whenua**, and **My Ariki Whakapapa** are recorded, protected, and binding under Tikanga — the sacred worldview and ways of being perfected by and through the **Creator, IOMATAKORE**, and upheld in HIS Divine Law.

SECTION 4: NOTICE TO ALL AGENTS AND AUTHORITIES

Let it be known to all agents, officers, governments, organisations, courts, corporate actors, and artificial entities:

- You hold no lawful, spiritual, moral, commercial or jurisdictional authority over me unless you produce a verified affidavit, sworn under full commercial liability, spiritual consequence, and penalty of perjury;
- Failure to respond or rebut this Declaration within **twenty-one (21) days** of publication by **verified affidavit**, sworn under **full commercial liability**, **spiritual consequence**, and **penalty of perjury**, shall constitute **tacit agreement**, lawful acquiescence, and **permanent estoppel**. Such affidavit must rebut, **point by point**, the claims made in this Notice, and be delivered within the same twenty-one (21) day period from the date of publication;

An *allodial* estate is a freehold held in full right by the living man or woman, not subject to any crown, state, corporate, or municipal authority. It is the highest form of land tenure in law, recognising both **dominium directum** (absolute legal title) and **dominium utile** (full beneficial use), united in the sovereign holder.

In the spiritual and ancestral context, Allodium reflects *divine inheritance* and *custodianship* under natural and divine law — a sacred trust held in perpetuity by the rightful Kaitiaki, not to be alienated or diminished without full consent and jurisdiction.

It is thus opposed to *feudalism*, and affirms the holder's status as sovereign custodian. Said land is not the subject of public domain or Crown interest and is now declared as **Protected Diplomatic Premises**; thus shielded from all corporate, Crown, or statutory jurisdiction.

PROTECTED DIPLOMATIC PREMISES

This land is henceforth designated Protected Diplomatic Premises, under, but not limited to, the Vienna Convention on Diplomatic Relations (1961), the NWA Ordinance, and International Customary Law.

All rights of privacy, inviolability, and protection apply to these premises as per Article 22 of the Convention and related instruments. No agent, officer, contractor, or corporate entity may enter, inspect, survey, encroach upon, or enforce any law, code, mandate, or statute without express wet-ink autographed written consent from the undersigned.

Said land is hereby recognised as being held in sacred trust under Indigenous jurisdiction and diplomatic standing, affirmed through spiritual covenant with **IOMATAKORE**, The **Holy One**. Its protection and inviolability are upheld under the layered authority of:

- The United Nations Declaration on the Rights of Indigenous Peoples (UNDRIP) — particularly Articles 26 and 32, *affirming ancestral land rights and the right to withhold consent to external imposition*;
- The Universal Declaration on Bioethics and Human Rights (UNESCO, 2005) — *affirming bodily autonomy, privacy, and non-discrimination as spiritual and human rights*;
- The Doctrine of Divine Record and Customary Lore — *affirming the sacred relationship between land, people, and Creator, beyond statutory or commercial claims*.

This Declaration, and the Allodial Title it affirms, are now entered into the public record as a living truth — *spiritual, lawful, and unrebutted* — protected by divine jurisdiction and ancestral mandate.
